They are adopted pursuant to the court's inherent authority as reserved in Rule 83, Ohio Rules of Civil Procedure, and Rule 57, Ohio Rules of Criminal Procedure. These rules may be cited as "MC Civ. R. _____" and "MC Cr. R. _____." They are effective as of April 18, 2005 (or as later amended), and govern all proceedings filed subsequent to that date and proceedings pending on that date except to the extent that such application would not be feasible or would work an injustice.

2.00 COURT SESSIONS

The hours for court sessions are eight o'clock a.m. until twelve o'clock noon and from one o'clock p.m. until four o'clock p.m. unless otherwise ordered by the judge presiding at the session. Sessions will be held on Monday through Friday except on any day designated by law or proclamation of the President of the United States or the Governor of this State as a national or state holiday, on which holidays the court will be closed. The court will also close on such other times and dates as may be prescribed by the Presiding Judge.

3.00 DELIVERY OF HEARING NOTICES

Hearing notices may be distributed via e-mail, inter-office mail or U.S. Mail as deemed appropriate.

Costs shall be determined from time to time by the Presiding Judge and are on file with the Clerk of Court.

5.00 OFFICER MAY NOT PREPARE PAPERS OR CHARGE FOR NOTARY SERVICE

Officers or employees of this court shall not prepare or help prepare any pleading, affidavit, entry, or order in any civil or criminal matter, except as provided under Section 1925.04, Ohio Revised Code. 6.00 FORM OF PAPERS FILED WITH THE COURT

All papers offered for filing with the court shall be typewritten or printed on 8 ½ by 11 inch bond paper without backing. Original documents attached or offered as exhibits and official court forms supplied by the Clerk are exempt from the requirements of this rule.

1. The name of the assigned judge immediately below the case number, if the case has been assigned to a judge pursuant to the Rules of Superintendence;
2. A title containing the name and party designation of the party filing it and the nature of the document (e.g. Defendant John Doe's Answer); and
3. The typed name, Supreme Court Identification Number, office address, and office telephone, facsimile number, and e-mail address of the designated trial attorney.
4. It is the responsibility of the party/attorney involved in a proceeding to notify the Court of any changes to the contact information provided to the Court.

6.02 COPIES OF DOCUMENTS

Only legible copies of documents may be attached to pleadings or motions.

6.03 FAILURE TO COMPLY

The court may order stricken any filed paper which does not comply with Rule 6.00 through 6.02.

7.00 ELECTRONICALLY PRODUCED TICKET

In accordance with Supreme Court of Ohio amendments to Traffic Rule 3 and 25 effective January 1, 2014, the use and filing of a ticket that is produced by computer or other electronic means is hereby authorized in the Fairfield County Municipal Court. The electronically produced ticket shall conform in all substantive respects to the Ohio Uniform Traffic Ticket. Only the Judge/Administrative Judge and the Court Administrator shall have access to the Supreme Court website login credentials. The Judge/Administrative Judge and the Court Administrator shall take all necessary steps to ensure and maintain the security of the Supreme Court website login credentials.

9.00 APPOINTED COUNSEL

9.03 DUTIES

- (A) Upon appointment the attorney shall perform basic duties as warranted by the facts of the case and shall act in a professional manner.
- (B) The attorney must personally represent the client for whom (s)he was appointed and shall not, absent an emergency, allow substitute counsel to represent the client. The attorney must be present at all dispositive hearings. Repeated failure to personally represent the client will result in removal from the list of Appointed Counsel.

9.04 REQUIREMENTS FOR CLE AND PROFESSIONAL LIABILITY (MALPRACTICE) INSURANCE

- (A) Attend six (6) hours of continuing legal education related to criminal practice and procedure set forth in Gov. Bar R.X. Excess hours may be carried over and applied to the following year. An attorney shall file an affidavit of CLE compliance with this Court no later than the thirty-first day of January after the end of the attorney's biennium reporting period.
- (B) Maintain professional liability (malpractice) insurance in the amount equal to the minimum coverage required by the Ohio Rules of Professional Conduct. An attorney shall file an Affidavit of compliance with this requirement no later than January thirty-first of each year.

9.05 REMOVAL

(A) Temporary Removal

If a criminal charge, a serious traffic charge, or a formal disciplinary complaint is filed against an attorney on the list of Appointed Counsel, the attorney may be removed temporarily from the appointment rotation. An attorney who is temporarily removed is not eligible to be appointed to any cases, and shall not accept appointment of any cases. When the charge or complaint is resolved, the attorney may become eligible to accept appointment.

(B) Judicial Removal

An attorney may be removed from the list of Appointed Counsel with the approval of a majority of the judges of the Fairfield County Municipal Court.

- (C) If an attorney is removed from the list of Appointed Counsel, the attorney may seek reinstatement and may be required to complete additional requirements. For good cause, the Administrative Judge may remove an attorney from a specific case or from the list of Appointed Counsel.

(D) Duty to Self-Report

If a criminal charge, a serious traffic charge, or a formal disciplinary complaint is filed against an attorney, the attorney is required to immediately notify the Court Administrator.

(E) Duty to Cooperate

If an attorney is temporarily or judicially removed from the list of Appointed Counsel, the attorney is required to cooperate with the Court Administrator by identifying all open cases to which the attorney has been appointed.

9.06 PAYMENT OF EXPENSES

- (A) Appointed counsel seeking payment for expenses from the Court shall correctly complete the forms prescribed in the Ohio Public Defender's STANDARDS AND GUIDELINES FOR APPOINTED COUNSEL REIMBURSEMENT. All necessary documentation must be attached and the payment application must be typewritten. Applications that are submitted to the Court hand written will no longer be accepted. The Court may withhold payment to an attorney until all necessary forms pertaining to the case are completed and correctly filed.
- (B) Prior Court approval is not required for expenses up to \$100. Prior approval by the Assigned Judge is required before incurring expenses between \$100.00 and \$2,500.00. Expenses in excess of \$2,500.00 require prior approval both by the Assigned Judge and the Administrative Judge. Attorneys will not be reimbursed for travel time, mileage, or parking. No allowance will be approved for fixed office overhead. Attorneys seeking reimbursement for expenses must provide receipts for all expenses in excess of \$1.
- (C) Prior to approving an attorney's request to incur expenses, the Assigned Judge or the Administrative Judge shall consider the value of the service to the defendant's proper representation at trial and the availability of an alternative which would fulfill the same function as the service sought.

10.00 ELECTRONIC SIGNATURES & RECORDS

PURPOSE

These rules are established to allow the use of electronic signatures in the Court, to address the authenticity of a signature and to address the future use of electronic records. If it is established that a document was electronically signed without authority, then the party shall notify the court and the other party. Judge or Magistrate shall order the Clerk to strike the unauthorized document from the record.

10.01 SIGNATURE OF JUDGE OR MAGISTRATE

Documents may be signed by a Judge or Magistrate with an electronic signature. All orders, decisions, entries, permits, judgments and other documents signed in this manner shall have the same force and effect as if the Judge or Magistrate had affixed his or her signature in a conventional manner.

To ensure that the electronic signature is authentic, the signer must use a user name and password to log into the court's secured network to access the document to be signed. No Judge or Magistrate shall share these passwords with others except for the electronic records manager.

10.02 SIGNATURE OF COURT PERSONNEL

Electronic signatures in case records will be limited to Court personnel. To ensure that the electronic signature is authentic, the signer must use a user name and password to log into the court's secured network to access the document to be signed. No personnel shall share these passwords with others except for the electronic records manager.

10.03 SIGNATURE OF ATTORNEY, PLAINTIFF, DEFENDANT OR LITIGANT

Documents may be signed by an Attorney, Plaintiff, Defendant, or other litigant while inside the court building with an electronic signature on a signature pad or other device.

To ensure that the electronic signature is authentic, the signature must be created in the presence of court personnel. Then, the signer or the court personnel that witnessed the signature shall immediately submit the record to the electronic filing process.

10.04 COURT RECORDS MANAGEMENT AND RETENTION

Pursuant to the Ohio Rules of Court, Rules of Superintendence for the Courts of Ohio, Rule 26 (C) and (D), all Fairfield County Municipal Court case records filed on or after January 2, 2019, will be retained in electronic media format, including text and digital images, as an alternative to a paper record.

The Clerk of Courts will provide the computer hardware and software equipment necessary to allow for inspection and copying of the public records, including public records that are maintained, recorded, copied or preserved by an electronic records and information management process in accordance with division (D)(2) of Rule 26.

Paper media may be destroyed after it is imaged and saved to the electronic case record in accordance with division (D) of Rule 26.

Audio records of courtroom proceedings shall be kept for a period of five (5) years.

CIVIL RULES

1.0 FILING REQUIREMENTS

In addition to the requirements set forth herein as Administrative Rule 4.00 – 4.03, upon filing and where appropriate in accordance with Civil Rule 10(D), complaints shall have attached proof of account or assignment of accounts from the original creditor or original party in interest to the plaintiff establishing standing and jurisdiction of the Court. The Court may dismiss the complaint without prejudice if the proof(s) of assignment(s) of account(s) are not attached to the complaint upon filing.

2.00 APPEARANCE CALL

Appearance Call will be held at 1:15 p. m. each Tuesday, as practicable, for first appearance in actions in forcible detainer, all proceedings to enforce the collections of judgments, objections to applications for the appointment of a trustee under Section 2329.70, Ohio Revised Code, and actions in Replevin where possession of property is sought prior to trial on the merits. Actions on the Appearance Call docket for Replevin or claims in forcible entry and detainer for restitution in which the plaintiff or plaintiff's attorney does not appear may be dismissed without prejudice.

2.01 WRIT OF RESTITUTION

A writ of restitution in forcible entry and detainer cases shall not be issued after thirty (30) days from the date of judgment unless the parties have entered into an agreement to extend the period during which a writ may be issued. In no event shall a writ of restitution be issued after 120 days from the date of judgment. Subsequent actions will require a new forcible entry and detainer case filing.

3.00 SUBPOENAS FOR WITNESSES

The return for subpoenas of witnesses shall be filed with the clerk before the date of trial. The failure of a witness to appear for whom the return was not filed in accordance with this rule will not be grounds for a continuance of the case.

4.00 DEMAND AND DEPOSIT FOR JURY

Request for trial by jury shall be made in accordance with Civil Rule 38. Demand for a jury must be filed at least ten (10) days prior to trial date, or on or before the third day following receipt of notice of the date set for trial, whichever is later. A party requesting a jury trial shall pay a deposit for the jury, as security for costs; unless an affidavit of hardship, approved by the Court, is filed in lieu of the deposit. The failure of a party demanding a jury to comply with any of the provisions of this rule shall constitute a waiver of the jury, and the matter shall be submitted to and be decided by the Court.

5.00 PRETRIAL PROCEDURE

Pretrial conference(s) and telephone conference(s) may be ordered by the judge to whom a civil case is assigned. Upon notice of the scheduling of a pretrial conference, it shall be the duty of counsel to contact each other, make a sincere effort to dispose of the matter by settlement, and agree on any matters of evidence about which there is no genuine dispute. Prior to the date of the pretrial conference, counsel shall exchange reports of expert witnesses expected to be called by each party, as well as medical reports and hospital records of such are involved.

Parties must appear for pretrial unless prior authorization for absence or to conduct pretrial by telephone is granted by the Court to that particular party. Failure of a party to appear for pretrial may result in dismissal of the case or default judgment as the trial judge deems appropriate.

Failure of counsel to be prepared for pretrial conference may result in dismissal of the case for want of prosecution or in a default judgment of such other action to enforce compliance as the trial judge deems appropriate. It shall be the duty of counsel to do the following at the pretrial hearing:

1. The counsel who will be trial counsel and who is fully authorized to act and negotiate on behalf of the party must be present and must proffer in writing a statement indicating the status of settlement negotiations.
2. All parties in interest must be present at the pretrial unless such presence is excused by the trial judge.
3. Each counsel shall present to the court in writing a statement of the issues involved, the matters stipulated, and the questions of law which are to be resolved by trial.
4. Each counsel shall bring to the pretrial all exhibits, if practicable, which are expected to be offered in evidence at the trial.
5. Each counsel shall present in writing to the court an itemization of all special damages claimed, if any.
6. Each counsel shall present to the court in writing a statement indicating the names of all witnesses, both expert and non-expert, expected to be called at the trial; whether a view will be requested; whether a jury trial, if previously demanded, will now be waived, and if not, the number jurors demanded; and whether the case is one where the issue of damages should be tried separately if liability is found.
7. Each counsel shall come to the pretrial fully prepared and authorized to negotiate toward settlement of the case.
8. Each counsel shall give his best estimate of the time required to try the case.

All written statements shall be filed at or before the pretrial hearing.

Each counsel shall provide in writing the text of, and citations of authority for, any instructions requested at least ten (10) days before the date of the jury trial.

6.00 REQUESTS FOR CONTINUANCE

Every request for a continuance shall be by written motion, unless made on the record in open court. The motion shall set forth the date from which a continuance is requested and the reasons for continuance.

Attorneys submitting motions for continuance shall accompany them with an entry along with an indication that the requested continuance has been approved or disapproved by opposing counsel.

This rule does not restrict the assigned judge's exercise of discretion in granting or denying continuances.

7.00 MOTIONS

Any motions other than for continuance under Rule 6.00 shall be accompanied by a memorandum indicating the questions and authorities in support thereof; absent such a memorandum, motion shall be stricken from the files.

Opposing memoranda shall be filed not later than seven days from the service of the motion or on the day prior to the trial or hearing on the motion, which ever is earlier, or at such other time as set by the assigned judge. Motions shall be ruled upon on or after the opposing memoranda are filed or the time for filing expires, whichever is earlier.

Assignment of any motion for oral hearing shall be at the discretion of the court. Failure of counsel to appear for an oral hearing may be deemed an abandonment of the motion.

8.00 DECISIONS AND ENTRIES

The Court, in its discretion, may order proposed findings of facts and conclusions of law either before or after a trial or hearing. The failure of any party to comply with the Court's order may result in a dismissal of the case for want of prosecution or a default judgment.

Entries on decisions other than on the merits will be prepared and filed by the court unless otherwise ordered.

1. Counsel for the prevailing party shall prepare a judgment entry within five (5) days of an order of the court and submit the same to counsel for the adverse party, who shall approve or reject the entry within five (5) days. If opposing counsel fails to return the entry within five (5) days, it shall be submitted to the trial judge, who shall approve the entry in the form he considers proper.
2. No entry shall be accepted for filing unless signed by a judge.
3. Nothing in this Rule precludes the assigned judge from preparing and filing a judgment entry sua sponte.
4. An entry shall be drawn in language that is appropriate to the specific case in which it is to be filed.

9.00 COSTS

Fees and costs shall be as prescribed by the Court by Court order.

On motion of the opposing party or at the request of the officer of the court, and if satisfied that the deposit specified is insufficient, the court may require said deposit to be increased from time to time so as to secure all costs that may accrue in the cause. If such security is not given after reasonable notice the court may dismiss the action, if before judgment, or may dismiss the proceeding, if after judgment.

All costs and deposits shall be delivered to and disbursed by the clerk.

10.00 TRIAL ATTORNEY

All documents filed on behalf of one or more parties represented by counsel shall be signed by one attorney in his individual name as trial attorney. All notices and communications from the court and all documents required to be served will be sent to the designated trial attorney. No attorney who has entered his or her appearance in a case may withdraw as trial attorney except upon written motion for good cause shown and after notice to the client.

11.00 RECORDING OF PROCEEDINGS AND COSTS

Pursuant to Rule 8 (a) of the Rules of Superintendence for Municipal and County Courts, the official method for recording court proceedings shall be by audio-electronic recording devices.

Either party to the cause of action may request the court proceedings be recorded by stenographic means if the court has received written notice of the request at least three (3) days prior to the hearing. The cost for such stenographic recording shall be borne by the requesting party. The requesting party shall also be responsible for the attendance of a qualified stenographer. Any party requesting transcript of any recorded hearing shall bear the cost of said transcript except as otherwise ordered by the court.

SMALL CLAIMS DIVISION INFORMATION

1.0 PARTIES

The individual or corporation who initiates an action is known as the plaintiff. The individual or corporation against whom an action is brought is known as the defendant. Anyone may file a claim; however, a minor under the age of 18 must bring an action through his or her parent or guardian. A corporation must bring an action through an officer, salaried employee or an attorney at law.

It is the duty of the plaintiff to supply the correct name and address of all defendants. A certified letter to an individual in care of a business address, when the business is not involved with the suit is not acceptable, unless the individual would sign the certified receipt card. If a business is incorporated, you must supply the exact corporate title of the defendant. You may be able to determine whether the defendant is incorporated by contacting the Secretary of State, Corporation Section, (614) 466-3910. If the business is not incorporated, you must supply the name of the owner or owners.

2.0 JURISDICTION

The Small Claims Division has jurisdiction over claims for the recovery of money only, for out of pocket loss only, disallowing no expenses incurred in attempting to collect, with a maximum allowable recovery of \$6,000.00, exclusive of interest and court costs. Generally, the court has jurisdiction over a claim if the incident (or transaction) giving rise to the claim occurred in Fairfield County, or if the defendant resides in, or conducts business in Fairfield County. **The individual signing the complaint must appear. If an attorney signs as agent for an individual, then both must appear.**

3.0 FILING

There is a filing fee (court cost) for a Small Claims action, established annually by the Court. Costs can be recovered, provided you win your suit. All pleadings must be on 8 1/2 x 11 inch paper.

4.0 EVIDENCE

You must have all of your evidence at the hearing of your case. Under no circumstances will any new evidence be accepted after conclusion of the hearing. Although you may prepare and present your case in any manner you see fit, you must have evidence to support your claim. Evidence includes your testimony, the testimony of witnesses, written agreements, receipts, public records, tangible items, photographs, etc. **A written statement from a witness is not admissible as evidence.** You may issue subpoenas, if necessary, to command the attendance of witnesses, and also for any documents you may need to substantiate your claim. Listed below are several examples of the types of cases commonly heard in the Small Claims Division, and the evidence that is suggested:

AUTOMOBILE PROPERTY DAMAGE

- Certificate of title to prove ownership of vehicle
- Two copies of two estimates of repair, or repair bill.
- Witnesses who viewed the accident
- Accident report from the proper law enforcement agency.

SECURITY DEPOSIT

- Two copies of receipt or canceled check, etc., showing payment.
- Lease agreement, if one exists.
- Witnesses who viewed the premises before and after occupancy.

DAMAGE TO REAL PROPERTY

- Two copies of two estimates of repair, or repair bill.
- Photographs/video recording of the damage.
- Witnesses who viewed the incident.

LOSS OR CONVERSION OF PERSONAL PROPERTY

- Two copies of receipt, canceled check, or invoice showing value of the item lost, or estimate of the value of the property.
- Witnesses who could describe the condition of the property.

FAULTY REPAIR OF AUTOMOBILE, APPLIANCE, ETC.

- Description of the item repaired.
- Receipt from the transaction, or a witness who observed the transaction.
- Copies of estimates prepared by repair experts, showing the cost to complete or do over again, the alleged faulty or incomplete repairs.
- An expert witness in the field of such subject matter, to discuss the damages caused to the property.

ACCOUNT OR OTHER WRITTEN INSTRUMENT

When any claim or defense is founded on an account or other written instrument, two copies are needed so one can be attached to the pleading. If not so attached, the reason for the omission must be stated in the pleading. If more than the legal rate of interest at the statutory rate is charged, you must show substantiation in writing that the defendant was aware of this at the time of the transaction.

5.0 CONTINUANCES

One continuance, not exceeding thirty (30) days may be granted to any party who makes such a request in writing, at least seven (7) days prior to the trial date. The request should include the names of the parties involved, the case number, and the reason for the continuance.

6.0 TRANSFER TO REGULAR CIVIL DOCKET

The defendant has a right to transfer the case out of Small Claims Division and into the regular Civil Division. The defendant may do this in order to preserve his right to a trial by jury, and also his right to a stenographic record of the proceedings. Once transferred, the case will not return to the Small Claims Division. There is a transfer fee, which is established annually by the Court.

7.0 COUNTERCLAIM

If you deny the plaintiff's claim, and if you feel that the plaintiff actually owes you money as a result of the same incident or transaction, you may file a counterclaim. Counterclaims for less than \$6,000.00 may be heard in Small Claims Division. **If you believe you have a claim against the plaintiff, you must file a counterclaim with the court and must serve the plaintiff and all other parties with a copy of the counterclaim at least seven (7) days prior to the date of the trial of the plaintiff's claim. There is a counterclaim filing fee, which is established by the Court.**

8.0 SETTLEMENT

If you do not contest the claim, you may contact the plaintiff and negotiate a settlement. The plaintiff must notify the court in writing upon payment in full of any claim

9.0 DORMANT CLAIM

If you do receive a judgment and no action has been taken within five (5) years, then it becomes dormant and a special action must be filed in order to revive the claim. Prior to five years, contact the Small Claims Division for information to prevent a dormant judgment.

10.0 MAGISTRATE HEARING

At the trial you will have an opportunity to present your argument and your evidence to the court. **You must have all of your evidence, substantiation, witnesses, etc., with you at the hearing of your case.** You will also have a right to cross examine the defendant and his witnesses, in order to bring out points in your favor. Similarly, the defendant will have an opportunity to present his evidence to ask questions of the plaintiff. Individuals signing a Small Claims Complaint must appear at the hearing. **NOTE: A CORPORATION APPEARING WITHOUT AN ATTORNEY AT LAW MAY NOT ENGAGE IN CROSS EXAMINATION, ARGUMENT OR OTHER ACTS OF ADVOCACY. IT IS STRONGLY RECOMMENDED THAT A CORPORATION BE REPRESENTED AT THE HEARING BY AN ATTORNEY AT LAW. THE PERSON SIGNING THE COMPLAINT MUST APPEAR. IF AN ATTORNEY SIGNS THE COMPLAINT, THEN THE PLAINTIFF MUST APPEAR ALSO.**

The court, after hearing the case on its merits, will render a decision. The decision may be announced at the conclusion of the case, or it may be mailed to you in the form of a written opinion. Within fourteen (14) days from the filing of the Decision of the Magistrate, any party

may file with the court written objections to the Magistrate's Decision. The objecting party must serve notice of the objection to the opposing side and must include a CD reproduction of the hearing with the objection, for which standard rates per the Court's Schedule of Costs apply. The objections and the case will then be assigned to a Judge for his consideration. The Judge may then modify the recommendation of the Magistrate, order a new hearing, or approve the Decision of the Magistrate and enter a judgment. There is a filing fee for Objections to the Magistrate's Decision, which is established annually by the Court.

If the case is decided in favor of the plaintiff, the defendant should make arrangements to pay the plaintiff the amount of the judgment. Otherwise, the plaintiff can proceed against the defendant, to collect the judgment amount through garnishment of personal earnings, bank attachment, etc.

11.0 LEGAL ADVICE

The personnel in the Small Claims Division will be able to assist you in completing any forms needed, which you may not understand, but cannot help you in investigating the whereabouts of the defendant's income or property. Representation by an attorney at law is permitted, but not required. If you have any questions concerning your legal rights, you should contact your attorney for advice before coming to the Small Claims Division, as the personnel cannot give you legal advice.

NORMALLY SMALL CLAIMS HEARINGS ARE SCHEDULED FOR TUESDAY AFTERNOON AT 2:30 P.M., AND ARE HELD IN COURTROOM NO. 2 LOCATED ON THE THIRD FLOOR AT 136 W. MAIN STREET, LANCASTER, OH 43130.

12.0 HEARING DATE

Typically, the hearing date is scheduled in approximately 30 to 45 days from the date of filing. Hearings are scheduled for Tuesday afternoon at 2:30 p.m. and are held in Courtroom No. 2 located on the third floor at 136 W. Main Street, Lancaster, OH 43130.

13.0 COLLECTION PROCEDURES FOR SMALL CLAIMS COURT

The filing party in a Small Claims action is known as the plaintiff. After judgment, that party is known as the judgment creditor. The defendant becomes the judgment debtor.

It is the responsibility of the creditor, not the Court, to collect the judgment owing. After the filing of a Magistrate's Decision, where no settlement has been made between the parties, the judgment creditor cannot take any action to collect until the fourteen-day appeal period has elapsed. Below are several courses of collection, and although the Small Claims Division will assist you by providing and in the preparation of completing forms, we cannot give you legal advice in your collection procedures.

FINANCIAL STATEMENT

You may file a request for a Financial Statement if, thirty days after judgment, the judgment remains unpaid and the parties have not otherwise agreed. The Court will order the judgment debtor to answer questions as to his or her financial status (assets, liabilities and personal earnings). The judgment debtor will have seven days from the date of receipt to respond. Court costs for a financial statement request are established annually by the Court.

GARNISHMENT OF PERSONAL EARNINGS

Fill out in duplicate, "NOTICE OF COURT PROCEEDING TO COLLECT DEBT". Send one copy of the "NOTICE" to the defendant by regular mail with certificate of mailing or by certified mail with return receipt.

If, after 15 days from the date of service, or the date of mailing, you have not received a satisfactory reply, you may then proceed to file the garnishment papers with the Clerk.

The following items are needed to file:

- An Affidavit of Garnishment
- A copy of the Notice of Court Proceeding to Collect Debt, with proof of service
- Cash, check or money order made payable to Fairfield County Municipal Court in the filing fee amount established annually by the Court.

NOTE: The garnishment may be filed no sooner than 15 days from the date of mailing or date of service of the "NOTICE", and not more than 45 days, after the demand is made.

Once your garnishment of personal earnings is successful, it is your responsibility to file annually, an Affidavit of Current Balance Due with the court, employer and defendant. Additionally, you are required to send the Notice and Request for Hearing, along with a self addressed, stamped envelope, addressed to the court, with the defendant's copy of the Affidavit of Current Balance Due.

BANK ATTACHMENT

A Court order requiring the debtor's bank to take money from the debtor's checking and/or savings account, not exempted by law. You must have knowledge of where the judgment debtor conducts his or her banking and additional information (i.e., bank account number or social security number) is helpful. Filing fees are required both to the Court and to the bank, and are established by the Court.

LIEN

Filing a request for a Certificate of Judgment will place a claim on the property of another, as security for the payment of the judgment. It is your responsibility to file the Certificate of Judgment with the Court of Common Pleas in the county where the judgment debtor's property is located. Court costs are established by the Court and do not include the Common Pleas filing fee.

CRIMINAL RULES

1.00 CRIMINAL PROCEDURE - GENERAL

All Rules set forth above with reference to Civil proceedings shall, where applicable, be enforced in Criminal Proceedings before this court. In addition thereto, the following Rules shall prevail.

2.00 CRIMINAL ACTION FILING

No criminal charges shall be filed by a private individual until they are first reviewed and approved by a prosecutor operating within the jurisdictional limitations of this Court.

3.00 BAILIFF

A Bailiff shall formally open sessions in the Traffic and Criminal Court and shall enforce and maintain order.

4.00 ARRAIGNMENTS

In all DUI cases and cases involving allegations of violence a defendant shall personally appear at their scheduled arraignment date for purposes of entering a plea and establishing bond. In all other cases, a written not guilty plea may be accepted and the defendant may be released without bond, unless the Court determines that a bond is appropriate under the circumstances.

5.00 WITHDRAWAL OF CHARGES

All recommendations for withdrawal, reduction, amendment or dismissal of charges and the reasons herefore shall be made in open court by the prosecuting attorney, and/or shall be specifically set forth in writing and placed in the case file. No such modification shall be permitted without the express consent of the judge presiding over the case.

6.00 BAIL

The Court shall establish a bail and bond schedule. The Court, at arraignment or at some other time during the pendency of a case, may modify a defendant's bond.

6.01 BAILS BONDS AGENTS

BAIL BONDS: One approved bail bondsman list for all Fairfield County courts will be maintained by the Clerk of the Common Pleas Court, therefore registration will be required at the Common Pleas Court only.

REGISTRATION: All bond agents and surety companies seeking to do business in Fairfield County shall register and file their required credentials by the first day of August of each odd numbered year in accordance with O.R.C. 3905.87. Registration after this date will require Court approval by the Common Pleas Court to be added to the approved list for Fairfield County. A registration application can be obtained by contacting the Fairfield County Clerk of Courts at (740) 652-7360 or online at www.fairfieldcountyclerk.com.

FAILURE TO PRODUCE: Upon a Defendant's failure to appear at a scheduled hearing or trial, unless good cause is shown, the Court will issue a warrant for the Defendant's arrest, revoke previously established Terms and Conditions of bond, and order the forfeiture of the posted surety bond. A notice for a show cause hearing will be issued to the bail bond agent that he/she shall have not less than 45 days but not more than 60 days to bring the Defendant before the Court. If the bail bond agent is unable to secure the Defendant's appearance within this time frame, judgment will be entered against the bail bond and/or surety company. The bail bond agent will then be reported to the Ohio Department of Insurance and will be removed from the Fairfield County bail bondsman list.

CANCELLATION: Pursuant to R.C. 3905.932(K), a bail bond agent shall not execute a bond in this state if a judgment has been entered on a bond executed by the bail bond agent, which judgment has remained unpaid for at least 60 days, unless the full amount of the judgment is deposited with the Clerk of the Court.

Therefore, if a judgment remains unpaid for 60 days, registration with the Clerk of Courts pursuant to R.C. 3905.87 will be cancelled. Pursuant to R.C. 3905.87(A), the bail bond agent will not thereafter be permitted to post bonds at the Fairfield County Common Pleas Court, Fairfield County Municipal Court and Fairfield County Juvenile Court until the current obligations are met and credentials are submitted for registration during the next registration period.

B. Non-victim-related warrants with an attorney present

Attorneys may bring clients to the court to appear on a warrant that is NOT a victim-related case on Tuesdays or Thursdays no later than 11:00 a.m. These cases will be added to the arraignment docket and promptly taken out of order to insure minimum processing time.

C. Non-victim-related warrants without an attorney present

Defendants who appear at the court on a non-victim related warrant without an attorney present may be added to the arraignment docket on Tuesdays and Thursdays as long as they appear prior to 8:15 a.m.

Defendants who appear on a non-victim related case without an attorney present after 8:15 a.m. on Tuesdays and Thursdays, or at any time on any other day of the week may post bond pursuant to the bond schedule.

If the defendant is able to post bond, the Clerk's Office is to recall the warrant and provide the defendant with an arraignment date pursuant to the arraignment schedule.

If the defendant is unable to post bond, the defendant will be arrested by law enforcement, taken to jail and processed as a jail arraignment at the next scheduled jail arraignment time block.

7.02 CASES ASSIGNED TO A JUDGE

A. Defendants who appear at the court on a bench warrant for failure to appear issued by an assigned judge **MUST** go to the assigned judge, who will determine when the warrant will be heard. The bench warrant shall not be recalled until the assigned judge issues a recall of the warrant. If the assigned judge does not issue a recall of the warrant, Defendants may post bond pursuant to the bond schedule or the bond set on the individual case.

If the defendant is able to post bond, the Clerk's Office is to recall the warrant and provide the defendant with an arraignment date pursuant to the arraignment schedule.

If the defendant is unable to post bond, the defendant will be arrested by law enforcement, taken to jail and processed as a jail arraignment at the next scheduled jail arraignment time block.

8.00 JURY

8.01 JURY COSTS

In order to minimize the inconvenience to prospective jurors and to promote judicial economy, the full costs of the jury will normally be assessed to the defendant, if the jury is waived and jurors have already been called to appear in Court. Such assessment shall occur unless otherwise directed by the judge presiding over said trial. No deposit for criminal jury trial is required. Jury costs shall be computed at the rate of \$12.50 per prospective juror who appears on the trial date regardless of whether or not the prospective juror(s) are sworn in. A prospective juror shall be deemed to have begun service upon reporting to the clerk of court for jury service. All defendants pleading to any charge on the date of the jury trial when the case is scheduled for jury trial, or defendants who waive a jury trial on the date of the scheduled jury trial, shall be deemed to accept jury fees. Any defendant refusing to accept jury fees shall not have their right to a jury trial waived and shall proceed with the jury trial.

10.0 PRETRIAL PROCEDURE

After entering a plea of not guilty to a criminal or traffic offense, the court, in its discretion may set a pretrial conference. When a pretrial conference is ordered, the following persons are required to attend: the prosecutor, the state's representative, defendant, and defendant's trial counsel. It is the duty of the trial counsel to enforce the appearance of the defendant. Failure of the defendant to appear at a pretrial may be deemed by the court to be a violation of defendant's bond.

Both the prosecutor and the defendant and defendant's attorney should complete discovery prior to the pretrial.

Upon conclusion of a pretrial conference, the prosecutor therein involved shall complete the appropriate form indicating the name of the defendant, the case number, the type(s) of offenses charged, the defense attorney's name if any, and the proposed settlement agreement. This settlement shall be signed by the prosecutor and the defendant's attorney. The completed pretrial form shall be attached to the case file. Any alleged victims to a case should also sign the pretrial conference sheet either to acquiesce to the prosecutor's recommendation or to state that they are not in agreement with that recommendation.

The above pretrial procedure does not restrict or prevent the assigned Judge of any criminal or traffic case from conducting additional pretrial conferences. No provision of this rule shall be construed to limit or otherwise modify the requirements and procedures prescribed by Rule 16 of the Ohio Rules of Criminal Procedure. Pretrial conference recommendations are only prosecutor recommendations and

the Court reserves the right to sentence a defendant in a manner not consistent with such recommendation.

(D) Case Selection

(1) Referral Process

The intake form and instructions for completion and submission are available at the Court Administrator’s Office and the Court’s internet website. The Court’s mediator will schedule the matter for mediation and notify the claimant and the respondent by first class mail of the scheduled date and time for the mediation. The mediator will note on a form provided by the Court whether the parties appeared for mediation and whether the mediation resulted in settlement of the matters in dispute. All mediation hearings will be held on Wednesday at noon (12:00 p.m.). All mediation hearings are held at 104 E. Main Street, Lower Level, Jury Room. All parties and counsel shall advise the assigned judge or magistrate of any domestic violence allegations known to them to exist or to have existed in the past, or which become known to them following entry of the order but before conclusion of all mediation proceedings, which allegations involve any two or more persons whose attendance is required by the referral order.

(2) Eligibility of Cases

The Court's mediator will determine the eligibility and appropriateness of each referral prior to the commencement of the mediation process and may decline any referral(s) deemed inappropriate.

(3) Mediator Selection and Assignment

The following methods may be used to determine the mediator for the case:

- a. The court mediator may facilitate the mediation.
- b. The court randomly assigns a mediator to the case from the court's roster of approved mediators.
- c. Specific appointments may be made by the court taking into consideration the qualifications, skills, expertise, and caseload of the mediator in addition to the type, complexity and requirements of the case.
- d. Parties may select a mediator from the court roster.

(E) Procedures

In accordance with all applicable provisions of this rule, if a case is deemed appropriate by the Court Mediation Services, mediation will be scheduled. A mediator may meet with the parties individually prior to bringing the parties together for any reason including, but not limited to further screening. A mediator may schedule multiple mediation sessions, if necessary and mutually acceptable for the resolution of the issues in part or in their entirety.

(1) The court shall utilize procedures for all cases that will:

- Ensure that parties are allowed to participate in mediation, and if the parties wish, that their attorneys and other individuals they designate are allowed to accompany them and participate in mediation.
- Screen for domestic violence both before and during mediation.
- Encourage appropriate referrals to legal counsel and other support services for all parties, including victims of and suspected victims of domestic violence.

(2) Party/Non-Party Participation

- Parties who are ordered into mediation in formal cases shall attend scheduled mediation sessions. The court may order parties to return to mediation at any time in formal cases.

- If counsel of any party to the mediation becomes aware of the identity of a person or entity whose consent is required to resolve the dispute, but has not yet been joined as a party in the pleadings, they shall promptly inform the mediator as well as the assigned judge or magistrate.
- If the opposing parties to any case are 1) related by blood, adoption, or marriage; 2) have resided in a common residence, or 3) have known or alleged domestic violence at any time prior to or during the mediation, then the parties and their counsel have a duty to disclose such information to the mediator and have duty to participate in any screening required by the court.

- By participating in mediation a nonparty participant, as defined by R.C. 2710.01(D), agrees to be bound by this rule and submits to the court's jurisdiction to the extent necessary for enforcement of this rule. Any nonparty participant shall have the rights and duties under this rule attributed to parties except as provided by R.C. 2710.03(B) (3) and 2710.04(A) (2).

(3) Confidentiality/Privilege

(4) Mediator Conflicts of Interest

In accordance with R.C. 2710.08(A) and (B), the Mediator assigned by the Court to conduct a mediation shall disclose to the mediation parties, counsel, if applicable, and any nonparty participants any known possible conflicts that may affect the Mediator's impartiality as soon as such conflict(s) become known to the Mediator. If counsel or a mediation party requests that the assigned Mediator withdraw because of the facts so disclosed, the assigned Mediator should withdraw and request that the assigned Judge or Magistrate appoint another Mediator from the list of qualified Mediators that is maintained by the Court. The parties shall be free to retain the mediator by an informed, written waiver of the conflict of interest(s).

(5) Termination

If the assigned Mediator determines that further mediation efforts would be of no benefit to the parties, he or she shall inform all interested parties and the Court that the mediation is terminated using the procedure required by this Court.

(6) Stay of Proceedings

All remaining court orders shall continue in effect. No order is stayed or suspended during the mediation process except by written court order. Mediation shall not stay discovery, which may continue through the mediation process in accordance with applicable rules, unless agreed upon by the parties and approved by the judge or magistrate assigned to the case.

(7) Continuances

It is the policy of this court to determine matters in a timely way. Continuances of scheduled mediations shall be granted only for good cause shown after a mutually acceptable future date has been determined. The case may be continued by the Mediator or the Judge or Magistrate who referred the case. Except as authorized by the court, the existence of pending motions shall not be good cause for a continuance and no continuance will be granted unless the mediation can be scheduled prior to the final pretrial. If a continuance of a scheduled mediation is requested and the proposed new date is within 45 days of the initial referral to mediation, then the request shall be made to the Mediator. If the requested date is more than 45 days after the referral to mediation, then the request must be made to the judge or magistrate assigned to the case.

SPECIALIZED DOCKETS

(1) MENTAL HEALTH COURT

There is hereby established in Fairfield County Municipal Court the Mental Health Court: Jail Diversion Program (FCMC-MHC) effective July, 2000.

It is the mission of the Fairfield County Municipal Court Mental Health Court to offer qualified offenders treatment at the earliest stage and in the least restrictive manner that is consistent with public safety. The Fairfield County Municipal Court – Mental Health Court will stress a therapeutically jurisprudient approach of supporting a psychiatrically stable and crime-free lifestyle for mentally ill persons living within Fairfield County.

The FCMC-MHC will serve persons convicted of misdemeanors who have serious mental illnesses that are contributing or mitigating factors in their law enforcement involvement and for whom court-monitored treatment and other services would enhance their ability to lead a law abiding life.

In order to have his/her case placed on the Mental Health Court Specialized Docket, a defendant must be referred to the program and must:

- (1) meet certain Clinical Criteria, more completely outlined in the Fairfield County Municipal Court Mental Health Court policy and procedures manual, including: an Axis I diagnosis; be stable enough to understand and comply with program requirements; and not pose an unacceptable risk to program staff or the community. A diversion candidate must be amenable to treatment and must be legally competent in order to enter the program.
- (2) meet certain Legal Criteria, more completely outlined in the Fairfield County Municipal Court Mental Health Court policy and procedures manual, including: a misdemeanor conviction and approval of the judge.

The primary reward for successful completion of the program is clinical stability and the reduction or avoidance of actual jail time served. The ultimate sanction for non-compliance is termination from the program, and serving of any suspended jail time.

The operation of the Fairfield County Municipal Court – Mental Health Court shall be in accordance with the Fairfield County Municipal Court Mental Health Court policy and procedures manual, which may be amended from time to time.

(2) “FRESH START” DRUG COURT LOCAL RULE

(A) Establishment of The Drug Court Docket

There is hereby established in Fairfield County Municipal Court the “Fresh Start” Drug Court effective February 14, 2007.

It is the mission of the Fairfield County Municipal Court “Fresh Start” Drug Court Program to provide management and treatment to misdemeanor defendants who incur drug related offenses in an effort to recognize and correct their problematic behavior, as well as reduce the risk they pose to the safety of the community. The opportunity for change is afforded through regular appearances before the judiciary, supervised treatment, mandatory periodic drug/alcohol testing, and the use of graduated sanctions and rehabilitative services.

(B) Placement in The Drug Court Docket

The “Fresh Start” Drug Court program will serve persons who are non-compliant and/or in violation of his/her probation and/or incur additional charges which result in the revocation of his/her probation and have a probable cause/revocation motion filed by his/her probation officer.

In order to have his/her case placed on the “Fresh Start” Drug Court Specialized Docket, a defendant must be referred to the Coordinator and must:

- (1) Meet certain clinical criteria, more completely outlined in the Fairfield County “Fresh Start” Drug Court Program Description Handbook, including: having a major diagnosis of substance abuse from The Recovery Center; be competent to stand trial and understand/comply with program requirements; have no history of drug trafficking; and not pose an unacceptable risk to program staff or the community. A candidate must acknowledge having a substance abuse condition that needs treatment.
- (2) Meet certain legal criteria, more completely outlined in the Fairfield County “Fresh Start” Drug Court Program Description Handbook, including: a misdemeanor charge(s) pending in Municipal Court; active probation status with charges or incur new charges that are at least indirectly related to drugs; consent of a victim (if applicable) for participation in the program; and consent of the judge, prosecutor, counselor, probation officer, coordinator, case manager, and defendant.

All referrals into drug court are given to the Coordinator. Once an applicant’s eligibility is determined, the referral source will be notified. If the applicant is eligible to enter the program, a revocation hearing will be set and the Judge will make the final determination as to if the applicant will be ordered into the program and drug court incorporated as terms and conditions of probation.

Judges, court staff, defense counsel, prosecutors, probation officers and counseling staff refer candidates to the Drug Court Coordinator, who screens all cases. Prior to the defendant’s revocation hearing (within two weeks), the Coordinator will meet with candidates to perform a social history screening of substance abuse, psycho-social, and criminal history. The Coordinator will also perform the Ohio Risk Assessment, in compliance with Ohio mandates to determine level of risk and appropriateness of level of supervision based on risk.

Collateral information outside of the interview will be collected such as criminal files, involvement with other agencies, CCH/LEADS, and speaking with family members, probation officers, and other individuals previously involved with the probationer. After reviewing this information and speaking with the candidate, the coordinator will schedule a diagnostic assessment at The Recovery Center within 24 hours to determine clinical eligibility. After determination is made that a candidate is both legally and clinically eligible, the Coordinator will present all information to the Drug Court Team (Judge, Probation Officer, Coordinator, and Counselor) to discuss the defendant's case regarding defendant's entry into drug court. In compliance with Drug Court Key Component #3 ("Eligible participants are identified early and promptly placed in the drug court program"), our court identifies individuals immediately upon their revocation motions and placed in jail. The Coordinator identifies these individuals as a priority for assessment. An individual is screened for entry into the program and, if eligible, enters into the program the following Wednesday after their screening. The Municipal Court takes only high-risk individuals identified by ORAS (Ohio Risk Assessment System) into drug court, recognizing the need for high-risk/high-need individuals to be closely monitored and those individuals identified as low-moderate risk/need be placed on a lower level of supervision.

The Drug Court Coordinator provides pre-screening and assessments for eligibility for Drug Court. Pre-screening is done by running OH-LEG through the Ohio Attorney General's website to determine if the offender has any significant history of violence or drug trafficking, which would disqualify applicant from entering the program. Prescreening also includes determining the applicant's previous level of compliance while on probation and also a check with local law enforcement to determine if the individual has a history of drug trafficking that has not resulted in a conviction. Once potential eligibility has been determined through prescreening, an assessment is scheduled with the individual to sign appropriate releases, participation agreements, and obtain a social-history. If participant is eligible and agrees to participate, a clinical assessment is scheduled with the counselor from The Recovery Center to determine clinical eligibility (to ensure the participant is clinical appropriate and possesses no mental health issues which would prevent their success in the program). If an applicant is determined legally and clinically eligible for the program, a revocation hearing is set for the participant's entry into the program.

Drug Court will also allow a participant to enter the program directly from the sentencing stage of their case. If a participant is deemed an eligible candidate (legally and clinically) prior to sentencing, the recommendation will be made to the Judge, upon agreement with the prosecutor, defense counsel, drug court staff, and participant that the defendant be sentenced into drug court directly from sentencing.

In compliance with the Health Insurance Portability and Accountability Act of 1996, all participants are required to sign a release of information prior to their assessment. This release includes drug court treatment team members, mental health agencies, law enforcement, prosecution, defense counsel, drug testing services, ADAMH Board, and any friends/family members that the participant specifically identifies.

The primary reward for successful completion of the program is the termination of court proceedings for cases which the participant enters the program on, clinical stability and freedom from drugs and incarceration. The ultimate sanction for non-compliance is termination from the program, resulting in serving significant jail time.

(C) Case Management in Multi-Judge Courts

Fairfield County Municipal Court is a two judge court, each operating a Specialized Docket. Both Judges will facilitate referrals to the Drug Court Specialized Docket; however, all Drug Court cases will be before the Drug Court Judge. If a case originates from the Mental Health Court Judge, a transfer entry will be prepared and the case transferred to the Drug Court Judge immediately upon the participants' legal and clinical approval of eligibility.

The Drug Court Specialized Docket will hold judiciary status hearings every Wednesday afternoon; therefore, creating a dedicated day and time to accommodate drug court into the Judge's schedule. Once a case is transferred to the Drug Court Specialized Docket, the Drug Court Judge will maintain precedence over those cases in which the participant entered the program on, regardless of continued participation or unsuccessful termination from the Specialized Docket.

(D) Drug Court Case Management

It is the mission of the Fairfield County Municipal Drug Court to provide effective supervision and enhanced treatment services to between 30-40 misdemeanor probationers at any given time in an effort to change their behaviors related to their drug addictions and to reduce the risk they pose to the safety of the community and to themselves.

Detailed descriptions and outlines of program expectations, processes, treatment team and advisory board members and duties are listed in the Drug Court Program Description Handbook and the Participant Handbook.

(E) Termination from the Drug Court Docket

Termination Classifications:

1. Successful – An offender is classified as a successful termination when he/she has met the probation requirements of drug court, completed all community service hours required, paid court fines, and graduated from drug court.
2. Neutral – these include terminations of the following:
 - a. Death – an offender has died while participating in the program.
 - b. Transfer – An offender is classified as a transfer and discharged from the program when, after a period of time spent in drug court, it is determined that an undiagnosed mental health issue is predominant, and the participant is mentally incapable of completing the program. The offender is then placed on a different level of community control.
3. Termination – An offender is terminated from the program for non-compliance with program requirements. The treatment team will make recommendations regarding

termination to the Judge; however, the final decision for termination will be made by the Drug Court Judge.

The operation of the “Fresh Start” Drug Court Program shall be in accordance with the Fairfield County “Fresh Start” Drug Court Program Description and Participant Handbook, which may be amended from time to time.

(3) VETERANS' TREATMENT COURT LOCAL RULE

(A) Establishment of the Veterans Treatment Court Docket

According to the requirements set forth in Ohio Supreme Court Rules 36.20 through 36.29, the Fairfield Co. Municipal Court hereby establishes the Fairfield Co. Veterans Treatment Court commencing October 2019. It is the mission of the Veterans Treatment Court to increase the number of misdemeanor offenders, who have prior military service, access to treatment and training in order for those offenders to lead stable and law-abiding lives and become productive members of the community upon completion of Veterans Court.

The target population and legal criteria are set out in the Program Description, which is incorporated and adopted by reference.

(B) Placement into the Fairfield Co. Veterans Treatment Court (VTC)

Identification of defendants for the VTC can occur initially when a defendant has been arrested and/or officially charged. The procedure is informal and may be employed at any stage of the proceedings. To be eligible for the VTC, a defendant must meet all legal and clinical criteria as set forth below:

Legal Eligibility Criteria

- Defendant must have misdemeanor charges pending or resolved with probation in Fairfield Co. Municipal Court.
- Defendant must be a Veteran. The VTC considers the defendant to be a Veteran, if the defendant has previously served or is currently serving in the United States Military.
- Defendant must plead guilty or be found guilty and agree to be placed on supervised probation through the VTC.

Clinical Eligibility Criteria

- Defendant must have a clinical diagnosis of substance dependence, mental illness, traumatic brain injury, post-traumatic stress disorder, or a co-occurring disorder.
- Defendant cannot pose a risk to the safety of court staff, family, or the community.
- Defendant must be willing to undergo any and all recommended treatment
- Defendant must agree to comply with the recommendations of his or her service providers based on the assessment reports.

(C) Victim Notification

The victim notification provisions of Revised Code Chapter 2930 shall be followed where applicable.

(D) Screening and Assessment

Upon receipt of referrals, the VTC Probation Officer will provide the defendant with a copy of the VTC participant Handbook and an eligibility packet, which includes an Application for Veterans Treatment Court and Consent to Release Personal Information Form. These forms are to be completed and returned to the VTC Probation Officer.

Assessment reports shall include treatment recommendations based on the appropriate level of care, confirm that the defendant meets the clinical eligibility criteria, and is appropriate for inclusion into the Fairfield Co. Veteran Treatment Court. Based on all this information and in accordance with the written eligibility criteria, the VTC Judge has final authority to grant or deny admission into VTC.

(E) Case Assignment

Once the VTC Judge determines that the defendant is to be accepted into the VTC, a journal entry is signed transferring the case to the VTC, a date for the defendant to enter is scheduled, and a notice to appear in VTC is given to the defendant and his or her attorney. The VTC Judge shall have the primary responsibility for case management of cases in the VTC.

(F) Case Management

Defendants accepted into the VTC will participate in appropriate treatment services. These services may include but are not limited to: obtaining stable housing and reliable transportation, participating in vocational assessments, completing vocational training, obtaining and maintaining employment. The requirements outlined in the VTC Program Description, Participant Handbook, and Participation Agreement are incorporated here by reference. The VTC will conduct hearings weekly.

(G) Termination from VTC

Upon successful completion of their case plan, the defendant graduates from the VTC. If the defendant is unsuccessfully terminated from the VTC, a hearing is scheduled before the VTC Judge and notice to appear is sent to the defendant and his or her attorney. At the conclusion of the hearing, if the VTC Judge finds that the defendant shall be unsuccessfully terminated from the VTC, any jail sentence and fine suspended may be imposed. A defendant may be neutrally discharged from the VTC if the defendant is no longer capable of completing the program.
